Eugene and Junseo, who sit side by side on the sea organ and look at the sea.

Yu-jin : I thought I'd forgotten about my promise 10 years ago, but somehow I have a feeling that I'll be able to see you here I heard it.

JUN SEO : Bad premonitions are never wrong.

Yujin : (laughs)

JUN SEO : I'm sorry.

If you look at Yujin and Junseo.

JUNSU : I was cowardly and stupid at the time. Of course, I'm a man, so I have to protect you and show you my best I thought I could, but I'm not in a position to.....That's why I was so mean. I'm just hurting you. I'm sorry.

Yu-jin : Thank you for your apology. I'm sorry, too.

JUNSEO : ...

Yu-jin : At first, I thought it was because of you that we broke up. After some time, I realized it was because of me.

I only knew how I felt, I didn't know how you felt. I'm trying to find out what you're in and what you're thinking. I didn't. Maybe I was only drunk on my passion, not you.

JUNSU : Because I was 20. You and I. Are we finally saying goodbye now?

Junseo : It took 10 years to break up.

Yujin leans her face on Junseo's shoulder.
